GUEST SPEAKER

Diane Tompson

Managing Director
The Powercom Group

TOPIC: SPREADING YOUR WINGS

Diane has been building over the years companies where she is now co-owner of three companies based in Tasmania. Powercom Consultants Pty Ltd, Novaris Pty Ltd and Powercom Systems Pty Ltd and is a founding director and co-owner of Novaris Technologies Malaysia, where she has over the years created a strong global presence.

Diane's passion is in the development and empowerment of businesswomen. Diane has had various very high profile appointments across the region and has achieved many awards for her work on behalf of various women's organizations. All these organizations placed her in a unique position for encouraging and helping other entrepreneurs to reach their full potential and to benefit emerging economies in the empowerment of their women.
